Dear Families,

Our school year is quickly coming to a close. We are having such an amazing year and we are not ready for the school year to end. Your children have given us so much joy and your support has been phenomenal.

We will miss our graduates who will be leaving our preschool at the end of this school year:

Yellow Room: Talli, Luca, Roselin, Elijah P.

Green Room: Aaron, Daichi, Cora, Olani, Nikolina and Van

We give them our love as they embark on their new adventure. We will miss them all.

We are also excited to announce that we met the NAEYC criteria for accreditation and will be accredited for the next 5 years. We are pleased that our program did well in the self-study and in person site visit. Many thanks to our staff who completed the classroom portfolios and were visited.

You will notice some changes that will be taking place. Through the "Child Stabilization Grant," we were able to replace our folding gates, the sandbox shading, our jalousies, and our playground equipment. We were also able to address our drainage system which is a concern during heavy rains. We are grateful for these additional funds which will address our current needs.

Summer school will begin on June 1 and last until July 14. We will open our doors to 68 children, 9 of whom will be new to MCCP. All classrooms will be in operation except for Purple Room.

As we know, "Jesus Christ is the same yesterday, today, and forever" (Hebrews 13:8). We know that throughout the year, the Lord is constantly with us and never changes. We can look forward to a great summer joyfully with our supportive parents and outstanding children.

Praise God!

With Love,

Sandra Ishihara-Shibata, Director
